TRANSFORMATIVE CLIMATE COMMUNITIES OVERVIEW
OVERVIEW

Program
• In 2010, The Promise Neighborhood Grant program was created by the U.S. Department of Education and is modeled after the Harlem Children’s Zone and the cradle-to-career continuum.

Vision
• The vision of the program is that all children and youth growing up in Promise Neighborhoods can attain an excellent education and successfully transition to college and a career.
TWIN RIVERS AND RIVER DISTRICT NEIGHBORHOODS
DEMOGRAPHICS

Population: 27,000 residents

Poverty rate: 34%

Third graders reading at grade level: 18%

African American infant mortality rate is 3x higher than white infants

Homeowners: 39%

Median income: $34,584
THE VISION

THE TCC is to transform and reconnect the 6-block neighborhood where all residents can live, learn, work and be healthy in a sustainable environment.
THE STRATEGIES

To transform the neighborhood for all residents, we propose a place-based strategy centered on a cradle-to-career pipeline to success for all Oak Park children. The Oak Park Promise Neighborhood will focus on the following strategies:

1. **Education**: Children enter school ready to learn and graduate college-ready.

2. **Health**: Families get the care they need, when they need it, from a local provider.

3. **Employment**: Oak Park residents enter the workforce and are hired by local employers.

4. **Housing**: Oak Park families live in safe homes and are supported to buy them.
2017 GRANT APPLICATION
GRANT OVERVIEW
OVERVIEW

Award:

3 grant awards
Fresno and Los Angeles already awarded
$4-6 million per year for 5 years

Applicant:

TBD
