Leataata Floyd Elementary School nurtures the whole child, supports their social emotional development, and gives each student the support they need to learn, grow, and thrive in both school and life.

LFE strives to cultivate caring and trusting relationships with students and their families and invites the community to be actively involved in student learning and success.
LEATAATA FLOYD AFTERSCHOOL PROGRAMS

THE LEATAATA FLOYD AFTERSCHOOL ACADEMY | 1ST-6TH GRADE

The Afterschool Academy provides an extended learning opportunity for students. The Academy focuses on literacy, and hopes that every student will be reading at or above their grade level by the end of the year. In addition to providing daily homework support and tutoring, The Academy provides the following enrichment activities:

- Student government 4th – 6th grade
- Health and nutrition programs (Food Literacy)
- Dance
- Hip hop workshop (Mike Brim)
- School sports teams (Soccer, basketball, flag football, track and field)
- Field Trips

The Academy begins after the students are dismissed from class and ends at 6:00pm. To find out more information about The Academy, please contact:

Mr. Kenneth Duncan  
Boys & Girls Club  
(916) 807-4181

LEATAATA FLOYD TEEN PROGRAMS | 7TH-12TH GRADE

The Leataata Floyd Student and Family Community Center (Room 8) is a neighborhood hub offering young people services and programs to increase physical and mental well-being, community connection, and educational attainment.

The Leataata Floyd Student and Family Community Center offers 3 programs:

**Project Voice:** An after-school youth development program that empowers young women to be leaders in their community.  
(Monday 4:30-6:00pm; 9-12th grade girls only).

**Project Food:** A community-based food literacy program that increases food knowledge and health choices among young people.  
(Wednesday 4:30-6:00pm; 9-12th grade girls and boys)

**The LFSFCC offers students a safe place to study and complete their homework assignments.**  
(Tuesday and Thursday 3:30-6:00pm; 7-12th grade girls and boys)

MESA

The MESA program at Leataata Floyd provides students the opportunity to learn about Math, Engineering, Science, and Technology through hands-on experiences and activities in an after-school program. Students will be able to collaborate with nearby schools, attend multiple-district Math, Engineering, Science Achievement (MESA) competitions, and meet other like-minded young scientists and engineers. Students will be encouraged to create, invent, and be resourceful as they demonstrate learning in a culminating competition at the end of the year. Ultimately, our goal is to increase interest in science, math, engineering, and technology in elementary school students and create a pipeline towards the middle and high school MESA program. (mesa.ucop.edu) MESA candidates are approved on a referral/selection process in September. Approval is granted based upon high math and science achievement, not on voluntary basis.

HEALTH & WELLNESS SERVICES & PROGRAMS

MENTAL HEALTH REFERRAL SUPPORT

The Leataata Floyd social work team helps families navigate Sacramento County’s mental health system. Referrals for counseling for both kids and adults are sent to the Mental Health ACCESS Team. ACCESS is the entry point for MediCal-funded mental health services for children and youth ages 0-21. ACCESS provides over the phone triage, assessments, and linkage/referral to county-operated or contracted mental health service providers. Once families are linked with an agency for support, the social work team collaborates with providers to ensure continuity of care. Space is provided on site for families who prefer school based counseling.

For more information about Mental Health Referral Support, please contact:

Ms. Rachel Webb

FOOD LITERACY

Food Literacy Center is a nonprofit organization whose mission is to inspire kids to eat their vegetables. Every Tuesday (Sept-April), Food Literacy hosts classes for students participating in the Leataata Floyd Afterschool Academy. During Food Literacy classes, kids cook, talk about nutrition, learn where food comes from, plant seeds, and explore the joy of nutritious food! Look for Food Literacy on Tuesday afternoons in the cafeteria! For more information about Food Literacy, please contact Susan Vitulli at susan@foodliteracycenter.org

COMMUNITY RESOURCES & PROGRAMS

PRESCHOOL PROGRAM

Did you know that children who attend preschool are more academically successful during their schooling years and more likely to graduate from college? Leataata Floyd has an onsite preschool program for children ages 3-5 years old.

Benefits of preschool include:

- Enriching/supportive learning environments
- Support for children with various developmental strengths and challenges
- Community service referrals and support
- Home-visiting services

To register your child for preschool: please call (916) 277-7151 or visit the Preschool Registration Center at Hiram Johnson 3535 65th Street, Sacramento 95820.

GIRLS ON THE RUN | 3-5TH GRADE GIRLS

Girls on the Run (GOTR) inspires girls to be joyful, healthy and confident using a fun, experience-based curriculum which creatively integrates running. Over a period of 12 weeks, girls in the 3rd through 5th grade participate in an after-school program like no other. Designed to allow every girl to recognize her inner strength, the GOTR curriculum inspires girls to define their lives on their own terms. Throughout the season, the girls make new friends, build their confidence and celebrate all that makes them unique. At the end of the season, the girls participate in a 5K race.

The GOTR season begins February 13, 2017, and registration begins November 1, 2016. In order to participate in the spring 2017 season, each girl’s guardian must attend a GOTR orientation, and complete an online, two-part, application process. Space is limited (The Leataata Floyd GOTR Team consists of 15 girls), and we accept girls on a first-come, first-served basis.

STUDENT SUCCESS TEAM MEETINGS (SST)

At Leataata Floyd Elementary School, we are dedicated to ensuring that each child has the opportunity to be successful in school and life. We also know that each child is different. Some kids may need additional help with academics and school work. Other kids may need support with their social skills and emotional development. One of the ways we can better support your child is through holding an SST meeting. At this meeting, we will focus on your child’s strengths to develop positive solutions. Your voice in this meeting is important. We know that you know your child best! We look forward to working with you!
