$1 billion to Build Back Better

Transform economically distressed communities through substantial investment in regional growth clusters

Support Regional Growth Clusters
Fund infrastructure, workforce, entrepreneurship, planning, and more to grow a regional industry or industries

Regional “Moonshot”
Build more inclusive, dynamic regional economies for the future through innovative strategies

Coal Communities Commitment
Award at least $100M of the $1B in available funding to coal communities
Cluster Participants

A **regional growth cluster** forms when several entities work together to grow a regional economy through the growth of an existing/creation of a new regional industry.

**Lead Institution (Applicant)**
Serves as lead for the collection of projects to support the regional growth cluster; charged with facilitating, cooperating, and collaborating.

**Coalition**
Group of eligible entities that apply together, includes a Lead Institution all coalition members that submit applications for component projects in Phase 2.

**Partners**
Non-applicant entities that can partner with a coalition to make the regional growth cluster successful.
Coordinated Projects Set Clusters Up for Success

Projects should aim to collectively address the following outputs and outcomes:
- **Develop** a long-term transformational vision and execution plan for a region’s industry
- **Integrate** efforts across diverse stakeholders and communities
- **Advance** equity and support economically disadvantaged communities
- **Increase** regional innovation and entrepreneurship capacity
- **Foster** and grow a workforce for industry
- **Build** assets and infrastructure for growth
- **Catalyze** private sector investment and tangible outcomes for regional growth

All projects should be coordinated such that the result is more than the sum of their parts.  
NOFO, Section A.1.c

Key Elements of a Successful Regional Growth Cluster (*NOFO Section A.1.b*)
Two-Phase Process

Phase 1: 50-60 regions awarded technical assistance grants to help regions prepare for Phase 2 and mature their clusters. Total: ~$500,000 per region.

Phase 2: 20-30 regions from Phase 1 regions awarded implementation grants from full project cluster applications. Total: ~$25-$75M, up to $100M per region.

Phase 1 concept proposal deadline: October 19, 2021
Phase 2 application deadline: March 15, 2022

Non-selected projects may be eligible for other EDA and federal funding. EDA will refer compelling projects to other agencies.
